HOMMORE

Reading between the lines means to look beneath the surface for more.

On the surface MCH is a nice brick building that houses 9-12 grades and their faculty for nine months each year.

A student's life is more than a building, a teacher, or a textbook. Your yearbook staff hopes this year to show the varied areas of a Bulldog's life through pictures.

Homework is any learning experience done before, after, and sometimes even during school.

Flip through our "Notebook" and learn more about the Bulldogs in 1986-87.

A schedule is a time table or a list of deadlines. Each student receives his/her schedule from the counselor's office the first day of school. From then on, a hectic pace reigns. Seniors know exactly when they may leave five minutes early for lunch, and teachers circle the calendar day that grade sheets must be posted.

A Bulldog's schedule will include classes in required and elective courses best suited to his needs, but he also invests time and energy in sports, clubs, and jobs. Also, time for social life will be reserved for those lasting friendships.

The mighty Bulldog runs a fast race.

Catch the Wave of Spirit

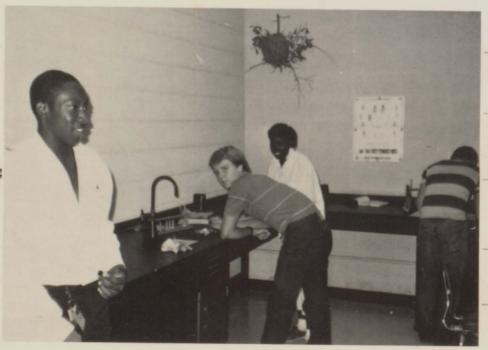

Oh, Why didn't I study? Run the program — not your mouth

Raise your hands, if you're sure

I've never seen a bug yet I liked

Assignments are tasks — good, bad, hard, easy.

Some we do because we must — tests, book reports, and practice. Others are done with great pride through accomplishment — anxiety because of insecurities — love through sharing.

Bulldogs success rates are high in assignment. We can stick! In sports we are building teams, in skills we are gaining ground, and in Basic Skills

Testing we are improving.

Bulldogs meet the challenge.

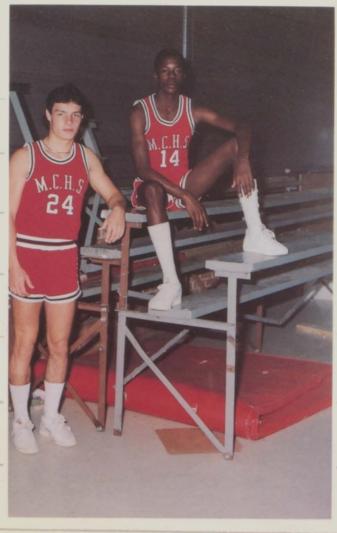

MCH is composed of many talents. Girls' Basketball team lifts lb. weights to improve strength, Drama Class learns to Charleston, and FBLA plays Santa.

At times this year, students and faculty were overwhelmed by the changes awaiting them in QBE. Through it all, we grew.

Success is built with coursework as the basic ingredient for careers; teachers stirred into the mix for flavor, and sports and clubs added as frosting.

No wonder our Bulldog is No. I.

Outrageousness!

Where's my new gym floor?

SHIM MOLE

Appointments mean planning, remembering, and meeting obligations for teachers, coaches, parents and oneself. Just ask a Bulldog about building character and accepting responsibilities.

Discipline is a daily task in our lives; either enforced independently or learned through encouragement at the office door.

A Bulldog takes pride in his memories of high school days and will cherish this time to measure values and build goals for tomorrow.

Every minute counts when you're at MCHS.

Keep step with your memories at MCHS.

A homecoming in color!

Fancy cars, pretty corsages, and tears of joy all went into making Homecoming '86 special. Each member of the court was escorted by family members or close friends and their entrance to the

football field was provided by the bright red convertibles of the Shriners. Every aspect of the evening went well, except the score, but the Bulldogs never gave up. In fact, some Dawgs danced till 1:00 a.m.

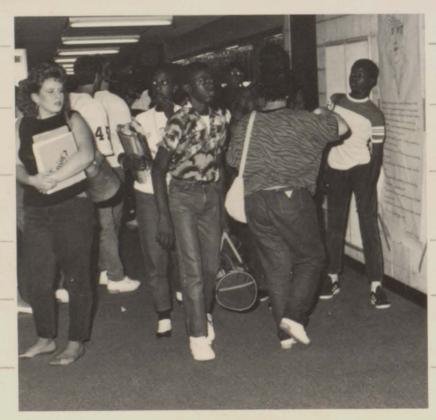

O Tay Den — Bulldogs are special. To our credit, we have a fine school, faculty, and the best student body in Georgia. We are achievers.

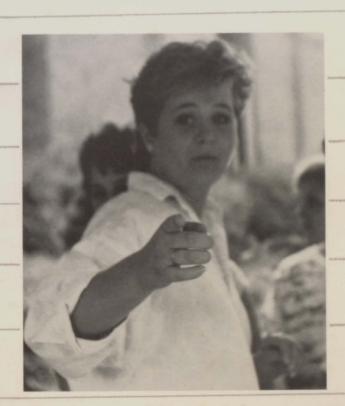

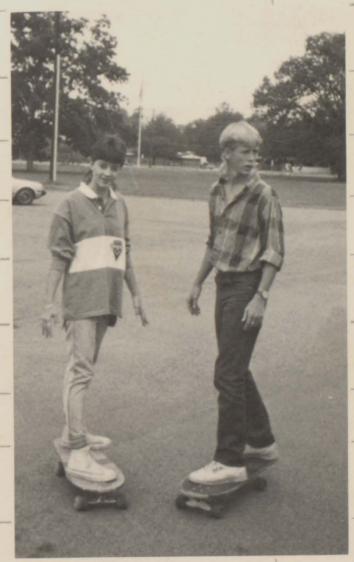

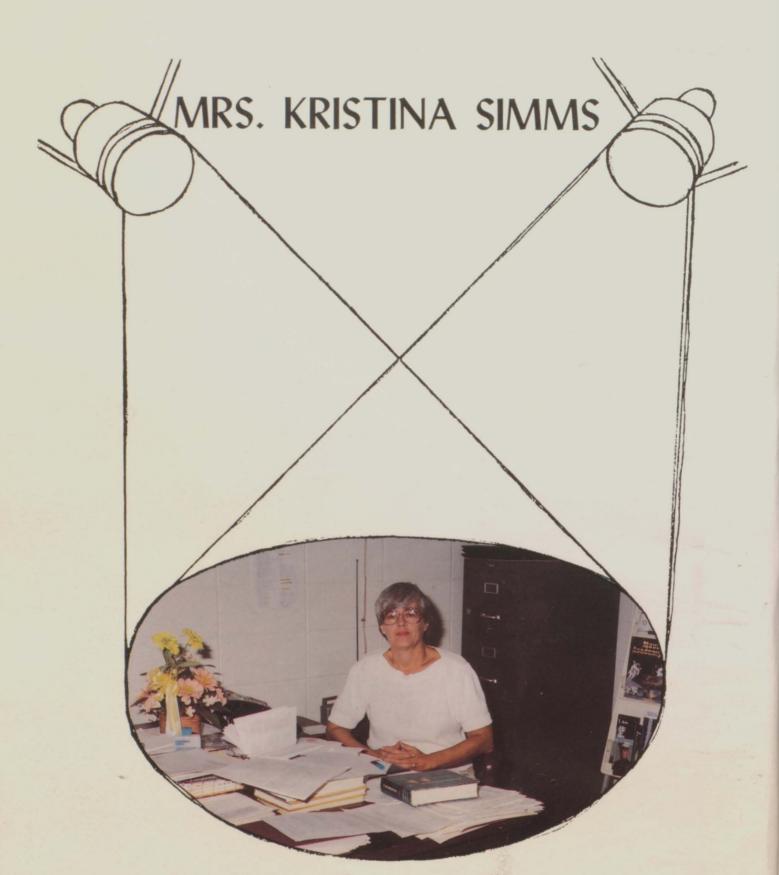

The best, no less together at MCHS!

Bulldogs want You!

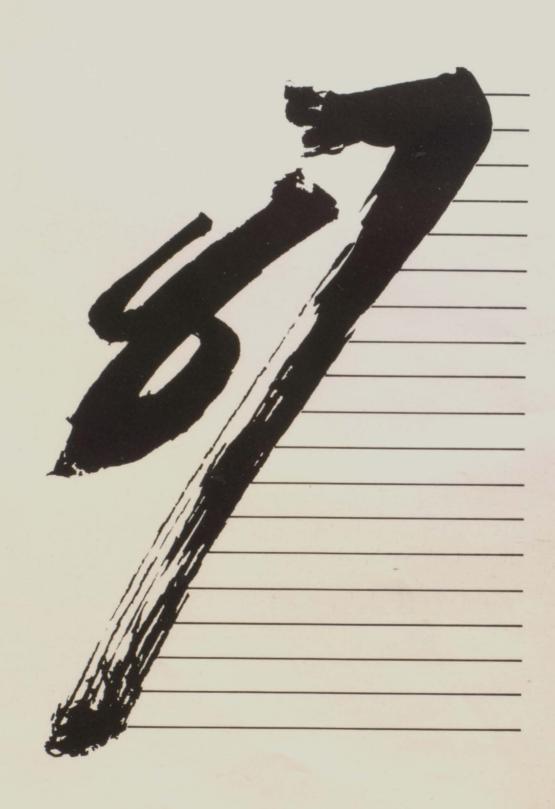

She's the right arm of the Principal.
She's the lending hand for the Faculty.
She's the shoulder of support to the Parent.
She's the listening ear for a Student.
She's the voice for public education.
But most importantly,
She's our Counselor.

PRINCIPAL

To The Class Of 1987

A great poet once wrote that the lives of those who went before us serve to remind us that we, too, can leave "footprints on the sands of time." As the Class of 1987 leaves Macon County High School, their paths will diverge in many directions. Some will go on to further education, some to service. some to jobs in the community. We wish them success, prosperity, and above all, happiness in their chosen endeavors.

TO OUR FRIEND,

KEITH DRIVER

Our paths so long together twined Must now go differently, And you, my friend, will soon depart To move away from me.

The souvenirs of friendship
That I keep within my heart
Will serve to join us still as friends
Though we may be apart.

These souvenirs are treasures rare

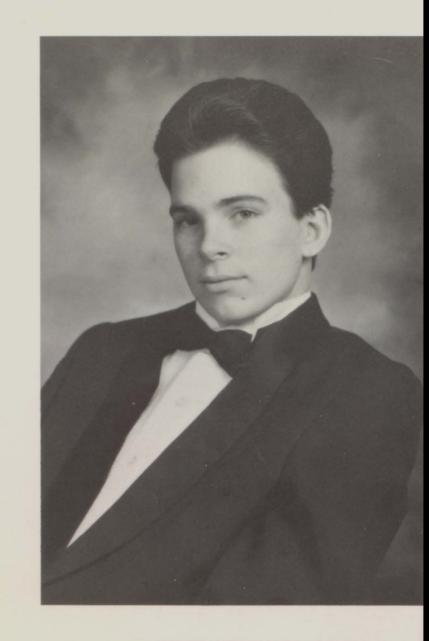

A pritely gay hello, A special look of fond respect That only friends can know.

A cheerful smile, a heartfelt tear, A spirit bright and gay, A simple chat, a quiet walk, A wave across the way.

These souvenirs will be with me To strengthen and to cheer, To let me know that we are friends, Although we are not near.

ONE ACT PLAY

The 1987 I-act Play was a comedy of the 1920's, based on an F. Scott Fitzgerald story, "Bernice Bobs Her Hair." Twenty-two people made up the cast, who re-enacted the story of an unpopular girl, Bernice, who is tutored in winning friends and influencing people by her cousin Marjorie. When Bernice blossoms and steals Marjorie's beau, conflict arises!

ACADEMIC BOWL

The Academic Bowl is composed of students interested in competing among themselves and with other schools teams, with knowledge learned at school and by self-study. A mastery of many subjects from Anatomy, Biology, Chemistry, and Mathematics to Literature and History to Sports and T V trivia is necessary for teams to score well against each other.

Some members start work as Freshmen, helping with scorekeeping and timekeeping and then working their way up to competing members of the team.

This year's team is composed of: Freshmen: Chris Lockerman and Aaron Perry,

Sophomores: Keith Everett, Ricky Kleckley, Travis Law, and Scott Lewis,

Juniors: Lisa Fulks, Tod Handley, Paul Joiner, Angela Kitchens, Jim Parks, Darrell Peters and Gretchen Trussell,

Seniors: Deborah Ham.

The Academic Bowl, sponsored by Mrs. Oliver, will compete in January at Taylor County High School and in the spring at Georgia Southwestern College.

The Be-Team players have been really fired up for a good season, and want to play the best football for their coach, Mr. Trussell. They have worked hard at improving their skills and towards the end of the season they felt they had built a strong team unity.

Good coaching, smooth techniques, and strong team spirit . . . that's what its all about.

CHEERLEADERS

The 1986-87 Cheerleaders are Great! They attended camp at Ga. Southwestern College during the summer where they won a Superior rating as well as the Spirit Stick.

Although the cheering squad had many hours of practice throughout the year, the work was never hard, because of their pride in the Mighty Bulldogs.

The sponsor, Mrs. Whitfield, was a source of comfort and confidence for each member of the team, as she worked throughout the football and basketball seasons.

The girls will always remember spirit tags, McDonald burgers, long bus rides, and good fellowship.

BAND

The Band of Red has been under the direction of Howard Frontz for the past six years. During that time, we've really grown — 64 strong. We have participated in many competitions, and in 1986-87, the Band received an Excellent which they worked very hard to earn.

The Band chose to play: "Goin Gets Tough", "Tara's Theme", and Freedom. We participated in the Pig Jig, Univ. of Ga. Band Day, and Ft. Valley's Parade. The Band has held several fund raisers and with the help of the Booster's Club plans a trip to Disney World at Spring break.

COLOR GUARD

The Flag Girls are a willing and outgoing group of girls. They have dedicated their time to achieve the best. These girls work all year participating in the fund raisers, volunteer work, competitions, and social events. Over the summer, the flag girls attended Troy State, the best band camp in Georgia.

MAJORETTES

The Majorettes are totally bad to the bone. They worked very hard together and were very devoted to the Band. The team grew this year from 4 girls to 8. They really dazzled the crowd with their new uniforms. They received an excellent at competition, where they competed against several other groups. A special thanks goes to Mrs. Cheryl Dixon for sponsoring the Majorettes and making it all happen.

AWARDS

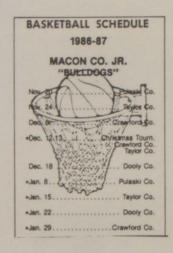

Band Of Red

The Macon County "Band of Red" participated in the "Music From the Peanut Gallery" marching Festival on Saturday October 4, 1986. The festival was sponsored by the Metter High School Band Boosters. There were 10 other bands that performed. The Band was not in competition with any other bands just themselves. They received ratings in 5 categories: percussion, majorettes, color guard, Drum Major and Band. Each band had a maximum of 10 minutes to perform their show. The ratings given to the band were as follows: percussion — good, Color Guard — good, Drum Major — good, Majorettes — Excellent and the Band — Excellent from all three band judges we received a nice trophy.

Coach Wylene Webb

By the Spring of the year, students are eager to be out of doors and busy. Tennis gives an ample opportunity for both. Members are encouraged to practice on their own on weekends and are given scheduled practice after school each day. Players are provided team shirts and sweats for competition, but choose their own racquets and shoe styles. Matches are held during March and April between neighboring schools leading to the important Region Contest on April 24.

TRACK

These track stars represented Macon County in Region and State Competition in the Spring of 1986.
400 meter team: Charlotte Jones, Lametria Mallard, Rhonda Fitzhugh, Lasandra Ager, and Mechell Minter placed fifth in State.

1600 meter runner, Laconjia Shelley placed fifth

400 meter dash runner, Linda Peterson, placed fifth

100 meter dash, Rhonda Fitzhugh placed sixth and Charlotte Jones placed second.

200 meter dash runners, Charlotte Jones — 4th, and Lasandra Ager — 6th.

3200 meter runner, Laura Howad placed third

Discus Throw - Alaine Mathis placed third

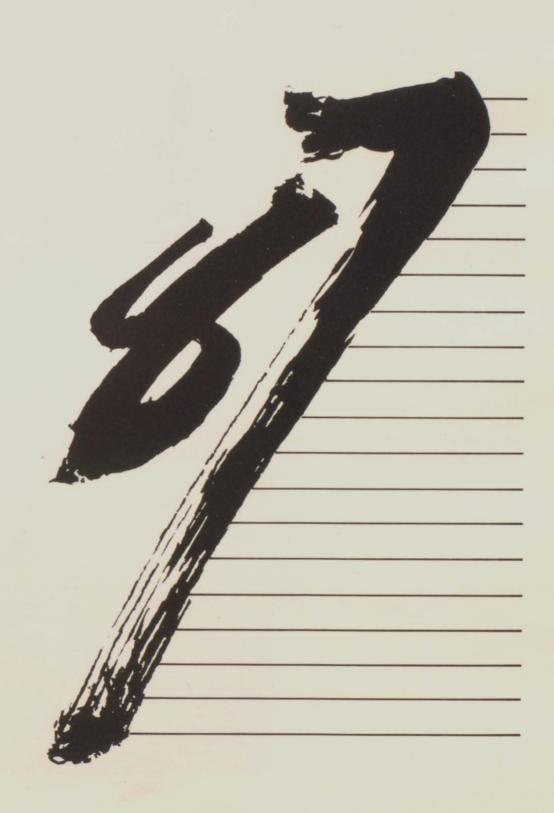

Long Jump — Lametria Mallard placed third

Team participants in region competition included: Mecelle Minter in 400 meter relay team, Sherrinett Turner in 100 meter low Hurdles

Though we graduated four seniors, our future looks very bright. We have a good nucleus with our returning tracksters. We also have a lot of young and energetic newcomers to round out our team. With experience and energy on our side, we look to be very competitive again this year.

EDITOR'S NOTES

Being chosen as this year's editor was quite an honor; completing the annual was a difficult task. Many members of the school staff put in long hours after school, on Thursday evenings, on Saturdays, and at their homes. One thing is certain the '86-'87 BULLDOG would not have been published without the help, advice, and patience of the following people: Mrs. Jo Campbell, our sponsor; Mrs. Carole Barfield, our staff bookkeeper; Mr. Carl Peaster, our principal; and Mr. Dave Ziegler, our regional advisor; and, of course, the staff members.

This book captured many of the year's special times, and being able to share my Senior year with the faculty and student body through this annual has been a memorable experience. I hope you will take as much pride in the 1986-87 BULLDOG as I have.

To all our tomorrows,

Gennifer C. Juone

Jenny Jerome

SPIRIT SONG

MCHS SPIRIT SONG

In the heart of Macon County,
'Neath The Southern sky,
Proudly stands our Alma Mater,
Macon County High.
Now and ever, we're united,
For the red and gray.
Give a cheer for Macon County —
Winners all the way!

Macon County, we'll remember
Days we spent with you,
Work and play we shared together,
Friends forever true.
Now and ever, we're united'
For the Red and gray.
Give a cheer for Macon County —
Winners all the way!

When our high school days are over, Friendships will not die.
We'll be loyal, Macon County, As the years go by.
Now and ever, we're united, For the red and gray.
Give a cheer for Macon County, Winners all the way!
